What's On

PRESENTATIONS

Listen and Engage! An introduction to the SUT and what we do, followed by keynote speakers from each of our sponsors – potential hints for competition time.

HANDS ON ACTIVITIES

Competition time! Showcase your problem solving ability to the subsea engineering community, learn about intricacies within our sponsors' products and win prizes!

LUNCH WITH ENGINEERS

Seize the day! Every lunch table will host at least one engineer for you to quiz. Find out what it takes to become an engineer, along with tips and tricks for applying for university, apprenticeships and jobs.

SPONSOR STANDS

Get Inspired! Each of our sponsors will put on a stand. This is your time to learn about new and exciting research and development projects, the likes of which you could be involved in.

Sponsors

Technip

take it further.
