TRAINING & APPRENTICESHIPS

Level 3 Certificate in Assessing Vocational Achievement

Overview

The Level 3 Certificate in Assessing Vocational Achievement is the only assessor qualification that allows you to practise as a fully qualified assessor.

This is a modern, recognised Level 3 assessing vocational achievement certification that came to replace the previous A1\2 and D32\33 assessor qualification.

By the end of this course, you will be ready for a career in evaluating vocational competencies for a range of qualifications, such as apprenticeships, NVQs, awards, certificates and diplomas.

Training & Content

Duration: 3 – 6 months

- Unit 1 will be assessed through a variety of assignments.
- Unit 2 will be assessed in a work environment, practically assessing learners work
- Unit 3 will be assessed through you producing work in a workplace or training environment.

Unit One: Understanding the principles & practices of assessment

On completion of this unit you will:

- Understanding the principles, requirement and practices of assessment
- Understand different types of assessment method and how to plan assessment
- Understand how to make assessment decisions and comply with quality assurance of the assessment process
- Understand the legal and good practice requirements in relation to assessment

Unit Two: Assess occupational competence in the work environment

On completion of this unit you will:

- Be able to make assessment decisions about occupational competence
- Be able to provide required information following the assessment of occupational competence
- Be able to plan the assessment of occupational competence

Unit Three: Assess vocational skills, knowledge & understanding

On completion of this unit you will:

- Be able to prepare assessments of vocational skills, knowledge and understanding
- Be able to carry out assessments of vocational skills, knowledge and understanding
- Be able to provide required information following the assessment of vocational skills, knowledge and understanding
